

GK-17 Say the Letter

Students hear three words and tell the starting letter for the words.

MATERIALS: *Word list, chips/counters*

- 1 Create a list of words in groups of three, each word in the group starting with the same letter.
- 2 Tell students you will say three words that start with the same letter, and then ask them to say what the letter is.
- 3 Say three words that start with the same letter.
- 4 Ask one student to identify and say the letter.
- 5 If correct, give the student a chip.
- 6 The first student with three chips wins.

EXTENSION: The game can be played using words with the same ending or same middle letter sound, with students again identifying and saying the name of the letter.

PREPARATION OF MATERIALS: Use the word list below. Follow the directions for play.
